2026 Bible Reading Plan

This reading plan guides you through all 66 books of the Bible in 365 days.

Daily Commitment: Approximately 15-20 minutes per day

This plan follows a balanced structure that spreads the reading throughout the year.

Experience Scripture end-to-end with a steady daily routine.

How to Use This Plan

1. **Daily Reading:** Read one in the morning, and one in the evening
You can complete them one at a time or all together, whichever suits your schedule
2. **Track Progress:** Check off each day as you complete the readings
3. **Grace Days:** If you miss days, simply resume where you left off
4. **Bible Translation:** Use any translation you prefer (NIV, ESV, KJV, NKJV, etc.)
5. **Reflection:** Take a few minutes after reading to reflect on what God is teaching you

Tips for Staying Consistent

1. **Set a specific time:** Choose a consistent time each day
2. **Find your pace:** This plan suggests reading 2 passages daily, but you can adjust based on your schedule
3. **Use a physical Bible:** Highlighting favorite verses helps retention & engagement
4. **Start fresh daily:** Each day is a new beginning, don't get discouraged if you miss days
5. **Pray before reading:** Ask God to speak to your heart through His Word
6. **Reflect and journal:** Write down insights, questions, and how passages apply to your life
